**PHOTO PUBLICITY RELEASE FORM**

Fireside Academy publishes a free online newsletter each month. Part of this newsletter is dedicated to reporting the events and happenings at Fireside throughout the year; this may include class photos, student interviews (in our “student spotlight” section), and field trip photos. Because this is an online newsletter, we want to secure family permission in using these photos. If you do not feel comfortable having photos of your children in an online publication, please indicate below and we will do our very best to keep photos of your child(ren)'s faces out of any pictures. However, please also keep in mind that most students are going to be excited to see themselves taking part in Fireside events – it will also be a great opportunity to share the site with family members who may live a distance away.

Please check off your preference and return this form as soon as possible. Thank you!

\_\_\_\_\_ I hereby allow photos of my children to be taken at Fireside Academy events, including classes, field trips, and special events. I also give permission for these photos to be included in the online newsletter the “Homeschool Spark” and the yearbook.

\_\_\_\_\_ I do NOT allow photos of my children to be used in the online newsletter the “Homeschool Spark”. I understand that this will result in a marked decrease of my child(ren)'s picture in the annual yearbook, and that they may be excluded from class photos taken for the newsletter.
